

TESTIMONIAL

"I wanted to drop you a line today to say a huge thank-you for running the pre-conference workshop as part of our 'KM for Health & Social Care' event in May 2003, and for the time you took to plan, organise and deliver your session. It was thoroughly appreciated by myself, and the delegates, who have all raised positive points about your comments and experiences."

Jacque Bran - Head of Conferences, ARK Group
